

Amendments To The Specification:

In the English translation document, please amend the title at page 1 lines 1-2, as follows:

Turbine, fixing device for ~~guide~~ blades and working method for dismantling ~~removing~~ the ~~guide~~ blades of a turbine

In the English translation document, please add the paragraph at page 1 line 3, after the title, as follows:

--CROSS REFERENCE TO RELATED APPLICATION

This application is the US National Stage of International Application No. PCT/EP2003/013711, filed December 4, 2003 and claims the benefit thereof. The International Application claims the benefits of European Patent application No. 02028511.0 EP filed December 19, 2002, both of the applications are incorporated by reference herein in their entirety.--

In the English translation document, please replace the section heading at page 1 line 3, after the newly added CROSS REFERENCE TO RELATED APPLICATION section with the new section heading, as follows:

--FIELD OF THE INVENTION—

In the English translation document, please amend the paragraph at page 1 lines 4 to 8, as follows:

The present invention relates to a turbine according to the preamble of the claims ~~claim 1~~, a fixing device for guide blades of a turbine according to the preamble of the claims ~~claim 9~~ and a method for removing the guide blades of a turbine according to the preamble of the claims ~~claim 11~~.

In the English translation document, please replace the section heading at page 1 line 9, as follows:

--BACKGROUND OF THE INVENTION--

In the English translation document, please replace the section heading at page 1 line 26, as follows:

--SUMMARY OF THE INVENTION--

In the English translation document, please amend the paragraph at page 1 lines 31 to 33, as follows:

The object is achieved by the features and measures of the claims ~~claim 1~~. Further advantageous configurations of the invention are given in the subclaims.

In the English translation document, please amend the paragraph at page 3 lines 35 to 36, as follows:

A fixing device for guide blades of a turbine is described by the features of the claims ~~claim 9~~.

In the English translation document, please amend the paragraph at page 4 lines 26 to 27, as follows:

A working method for removing the guide blades of a turbine is described by the features of the claims ~~claim 11~~.

In the English translation document, please replace the section heading at page 5 line 12, as follows:

--BRIEF DESCRIPTION OF THE DRAWINGS--

In the English translation document, please replace the section heading at page 5 line 22, as follows:

--DETAILED DESCRIPTION OF THE INVENTION--
